Center, KLE Academy of Higher Education
and Research

Venue
Prosthodontics Gallery Hall, Ground Floor
V. K. Institute of Dental Sciences, Nehru
Nagar, Belagavi - 590010, Karnataka.

Dear Colleagues / Friends,

It gives us immense pleasure to invite you to the Workshop on ***“Emerging Biomarkers in Prognosis and Diagnosis of Diseases”*** organized by Dr. Prabhakar Kore Basic Science Research Center, under the auspices of Department of Education for Health Professionals (UDEHP), KLE Academy of Higher Education and Research, Belagavi.

Advancements in biomedical research have identified novel biomarkers with the potential to transform disease diagnosis, prognosis, and monitoring. Translating these biomarkers into clinical practice requires awareness of recent discoveries, technologies, and validation strategies. This workshop aims to unite experts, researchers, and clinicians to discuss innovations, challenges, and translational opportunities, while enhancing skills in biomarker discovery, validation, and clinical application using modern diagnostic tools.

Topics to be covered:

1. Special lecture on ctDNA & Application
2. Special lecture on Exosomes & Application
3. Demonstration of Digital PCR by QIAGEN

We request you to encourage your staff and students to register for the workshop. Looking forward to receiving you in Belagavi, Karnataka.
